THOMPSON CASE SETTLED

Judge Madison Lenient—Attorney, Not the Woman Responsible for Mix-up

The Thompson divorce case mentioned last week has been settled as far as Mrs. Moody is concerned. She appeared in court Thursday, but was represented by a different attorney, and it was probably well for her former attorney that he did not attempt to appear. Mrs. Moody knowing that her marriage with Thompson was not legal, as he had a wife, thought that she was having a marriage annulled and did not realize that her attorney was trying to get a divorce from Thompson. Judge Madison was very lenient with her and that as she did not understand the law and did not realize what she was doing, she would take no action against her attorney who represented her in getting a divorce. The divorce will not have a chance as her marriage to Thompson was not legal. It will not be necessary to secure a divorce or an annulment only for her own satisfaction.

STOLE A FARM.

New York Woman Worked a Queer Game in Ford County.

There was a peculiar case in court yesterday. Sometime ago Geo. M. Ripple bought several tracts of land of a Topeka firm. Among these tracts was one quarter which was conveyed to the Topeka firm by Mrs. Louisa Brown of Lockport, N. Y. The deed looked alright and was accepted by Mr. Ripple. Later Mrs. Louisa Brown from Iowa appeared and claimed the land.

In the suit tried yesterday the Iowa woman proved her title, and also, it seems proved that she had not been in New York when the deed sent from there was made.

Who was the New York Louisa is now the question? The question of who owned, and who still owns the land was settled by the court in favor of the Iowa Louisa, and Mr. Ripple, unless he can recover from other parties is out the price of a quarter section of land.

DELEGATES TO TOPEKA

Dodge City Will be Represented at Semi-Centennial Meeting.

Mayor Hoover, C. M. Benson and B. N. Slocum will represent Dodge City on Monday in Topeka at the Pow wow held to consider giving a hallabalo in 1911, as a Semi-Centennial exposition, and incidentally they will have a talk with Mr. Hurley on railroad matters that affect Dodge City.

The Semi-Centennial is a matter which has not as yet been seriously considered in this part of the country. Every true Kansan, perhaps, would like to see such a meeting if it could be given on a scale to do proper credit to the state. These affairs however have been given on a great scale in the past and it is a gigantic undertaking for Kansas. The Topeka people seem to feel that they have the necessary energy, and are willing to take their chances on becoming bankrupts, and the "chances" are probably enough of a sure thing to avoid conflicting with the provisions of the Cullison law.

There should be no feeling over the state against Topeka, as the place of holding such a meeting. The town that gets the show is expected to finance it, and before the thing goes any further it may be announced that Dodge City is not a candidate for the Semi-Centennial. With this difficulty eliminated Topeka may proceed with only Wichita as a rival, and when Topeka and Wichita come together the former should have an easy victory but she will have to watch out for Wichita. She might stack the cards and put knock out drops in Topeka's drinks if she should get the chance.

CHICKEN SHOW

Get Your Birds Ready For the Show Next Week.

It is only a week now until the poultry show in Dodge City. The poultry raising in Ford county is a most important thing and it can be doubled many times. There is a great deal of money to be made in the poultry business.

The chicken show to be given here on February 1, 2 and 3, will help to increase this important industry. Ford county has many prize birds, but many people have not yet become interested in poultry raising.

Bring your fowls to the show. It will help you sell them and also help to interest others in poultry raising.

Admission will be 35 cents for the center block of seats; 25 cents for other parts of the house, and 15 cents for children. A PLEASANT MEETING

Anniversary of "The Standard Bearers" Celebrated Last Night.

The members of "The Standard Bearers" and a number of invited guests, being about forty in number, met yesterday evening at the home of Miss Verna Brown to celebrate the first anniversary of the society. A business meeting was held at which suggestions were offered and plans made for the promotion and success of missions. Missionary work being a God given privilege and our bounden duty we should strive to make it a success. A literary programme was then rendered which was elevating, enlightening and spiritually freighted. The remaining portion of the evening was given to exchange of thought, display of wit, test of the vocabulary of suffix "gus" and the partaking of refreshments. Judging from the expressions that fell from the lips of those present as they were about to depart, we take liberty to put them in a nut shell, "Satisfied."

News From THE STATE SOLDIERS' HOME At Fort Dodge, Kas.

Miss Winona Berg is here visiting her many friends.

Quite a drop in temperature from 70 degrees above zero down to zero.

We have been studying law for about two weeks in the city, so if there is anything missed the reason is known.

Mr. and Mrs. Fairly of Jackson Co., Kansas, also Mr. and Mrs. Beave and wife of Mineola visited Mr. and Mrs. Mallouee, Sunday.

Miss Clara Wyant, who has been attending school at Hutchinson, after spending the holidays here at home, returned Tuesday morning. She will remain there with Miss Nellie Marshall until about the first of July.

According to Rules and Regulations in such cases made and provided the U. V. U met and installed officers at the first meeting in January, to wit: Colonel. Austin Tuttle; Lieut. Col. Philander Evans; Major. Henry Camp; Officer of Day, A. W. Heiton; Q. M., Wm. Wyant; Surgeon, E. Klirk; Officer of the Guard, U. Weigant; Adjt., J. M. Houston; Q. M. Sergt. S. M. McBratney; Sergt. Major, Webb Roth; Drum Major, George Mallouee; Color Bearer, Andy Miller; Sentinel, G. B. Tuttle; Picket, William Dotson; and last, but not least, Lillie Tuttle and Grace Scott, who for the year to come will fill the responsible position of Daughters of the Camp.

And at the same time and place the Ladies of the G. A. R. installed their officers to wit: Lydia A. Huston, President; Harriet Shaffer, Sr. Vice; Vera Cowgill, Jr. Vice; Mrs. Champlin, Chaplain; Cornelia Evans, Sect; Mrs. Millard, Treas; Mrs. Sponsler, Conductor; Eva Lues, Assistant Conductor, Margaret Andrews, Gaurd; Mrs. Sarah Jackson, Assistant Gaurd; Lou Miller was selected for Delegate to State Camp, with Mrs. Sowers as Alternate.

Likewise Victor Post No. 293 met to gather for the same reasons and purposes, installing the following officers to serve one year unless sooner discharged. D. T. Long, Commander; A. Gaskill, Sr. Vice; L. Rouden, Jr. Vice; Gaurd, Q. M. D. D. Rose, Adj.; John Cory, Officer of Day; Isaac Newman (6th Ohio), Chaplain; William Henry, Surgeon; Mr. McDonald, Off Gaurd; Mr. McMaster, Q. M. Sergt; Patrick F. Sughrue and Asbury Gaskill were selected delegates to the State Encampment.

Furthermore the W. R. C. assembled themselves together and the following officers were duly installed, by installing Officer, Mrs. Maggie Shaw; President, Cornelia Rose; Sr. Vice, Eveline M. Kissen; Jr. Vice, Addie Stringer; Chaplain, Elizabeth Godfrey; Secretary, Mary Boyd; Treasurer, Lottie Hall; Conductor, Catherine Byle; Gaurd, Lydia Paulk; Assist. Conductor, Alma Packhurst; Assistant Gaurd, Lizzie Glen; Patriotic Instructor, Hester A. Gilpin; Color Bearer, Laura B. Bass, Alice Orant, Cornelia Pierce and Beale Long. By the courtesy of the Post, the W. R. C. officers were installed first. We had an invitation to attend but were called away to the city to study law. However we learn that the Corps quite got away with the Post in their manner of conducting the ceremonies. This was for the reason, doubtless, that Mrs. Shaw is old in the cause and the drill necessary come to her as second nature. We do not mean that Mrs. Shaw is old in years, but that for sometime she has been at the head of the Relief Corps, and has often been selected to install neighboring Relief Corps. They also had something to eat and to drink, and the time passed by merrily.

Mrs. Joseph Timmons, has returned from Kansas City, where she has been about 7 months. Joe thought to leave us too, and tried to get employment in the drug trade, but all druggists, with whom he talked, wanted a younger man. Thus you see how the old soldier is handicapped in the struggle for life. Our pensions are gauged on the supposition that we are $\frac{1}{2}$ or $\frac{3}{4}$ disabled, but when we seek employment in our several avocations they don't want that class of laborers. A whole sermon could be preached upon this subject. Mrs. Timmons is glad to get back to the short grass country, and now Joe will be better contented and as Hospital Stewart will stay with us and continue to distribute quinine and dovers, and what else is good to help us to live and enjoy ourselves.

Jan. 22nd.—This evening we had one of the finest parties of the season. About 100 were gathered in Amusement Hall in honor of the 78th birthday of Com. W. J. McDonald. J. W. Huston was selected as Chairman, and was conducted to the chair by Mrs. Powers and Mrs. McDonald. A few remarks applicable to the occasion were made, by Chairman. A number of songs were sung and a number of speeches were made, and all did well. The speech of Commandant Thomas was especially good, appropriately

adapted to the occasion, as was also the remarks of Comrades Stringer and Roth. We have not the time to make extended remarks of everything that transpired during this remarkable occasion, but it will be remembered by the guests far on in Summers we cannot see. A fine lunch was served consisting of sandwiches, apples, pickles, cake and coffee, the latter served in the good old way in tin cups. Mrs. McDonald made us a fine speech and also gave us a magnificent recitation entitled, Adam's ale. Mrs. McDonald would have been a fine actress if her mind had trended in that line. Com. Roth presented a package to Com. McDonald, which was "broken into" and proved to be a fine gold watch, a present from Mrs. McDonald. Com. Huston presented a meerschaum tobacco pipe. In a neat speech. The pipe proved of some value, which was \$5.00 in free silver, a present number of old comrades. Mrs. Addie Stringer made a neat speech in presenting to Com. McDonald a fine covered silk handkerchief. The following incidents in the life of Com. McDonald has been handed in to us: W. J. McDonald was born Jan. 22nd 1828 in the state of Kentucky, moved to Ind. in 1833, to Iowa in 1850 and to Kansas in 1858. During the month of August 1863, he helped to drive Quantrill across the river just after the Lawrence Massacre. On the 20th of August 1863 he was enrolled as a corporal in Co. D 21st Kansas militia, ordered into active service Oct. 8th 1864, and made headquarters at Baldwin, was called out several times to repulse attacks by Todd, Dick Yager and Quantrill. Since the war he has followed shoemaking and plastering, has led an upright and honored life, and lately has taken up quarters in the Soldiers home at Fort Dodge arriving Dec. 16th 1904.
